6 Week Friday Courses

Tuition: \$ 175 per student, per course
\$ 25 materials fee for Carpentry*

Schedule: 4:00pm- 6:00pm

Session 1: Jan 27th - March 3rd

Session 2: March 10th - April 14th

Creative Arts Workshop (5 - 8 year olds)

The curriculum focuses on developing and expanding students' artistic skills through a series of age-appropriate lessons. Drawing and painting projects emphasize line, gesture, perspective, contour and composition. Sculpture projects build on these skills from a three-dimensional perspective. Materials include pencil, marker, watercolor, oil pastel, acrylic & tempera paint, and clay. This class is appropriate for new and continuing students.

Visual Arts (9+ year olds)

Students will focus on developing and expanding their artistic skills through a series of age-appropriate art lessons. Drawing and painting projects will emphasize line, gesture, proportion, perspective, contour, and composition. Sculpture projects will build on these skills from a 3D perspective. Media includes pencil, marker, colored pencil, oil pastel, chalk pastel, paint, watercolor, and clay. Continuing students will have the opportunity to work on advanced projects designed for their skill level and areas of interest. The instructor will design the curriculum based on the enrolled students.

Carpentry for Kids (6+ year olds)

Students will learn to use a complement of hand tools during a course that emphasizes safe tool use, practical problem solving and creative development. Projects increase in difficulty as experience grows. Woodworking students will begin with projects such as a small toy boat and work up to full-sized furniture and professional skateboards. All first-time carpentry students MUST attend the first day of class to safely participate in the course. No exceptions. Advanced projects may require an additional materials fee.

Carpentry scholarships provided by Welte Construction.
