(Session 4: Tuesday-Friday)	Session 9: Aug. 8-11

Monday - Thursday Curriculum

The curriculum focuses on developing and expanding students' artistic and scientific skills through a series of age appropriate, fun and engaging lessons.

Drawing and painting projects emphasize line, gesture, perspective, light, shadow, contour and composition as experienced instructors demonstrate a variety of techniques.

Materials may include pencil, marker, watercolor, oil pastel, chalk pastel, acrylic paint, and sculpture.

JCAS instructors will create a customized curriculum for each course based on the ages, experience levels and interests of the students enrolled in the class.

Each session concludes with an art exhibition and reception in celebration of each student's accomplishments.

Course Descriptions

Sampling of our courses...

Teen Screen Print

A screen printing class just for teens. Learn to cut stencils for DIY printing. Create multi-layered prints on paper, cards, fabric, shirts and bags. Whether you are interested in drawing, lettering, digital media, photography or graphic design, this class is for you!

Carpentry

Students will learn to use a complement of hand tools emphasizing safe tool use, practical problem-solving & creative development. Projects increase in difficulty as experience grows, beginning with toy boats and working up to full-sized furniture and professional skateboards. All first-time carpentry students **MUST** attend the 1st day of class to participate in the course. **CARPENTRY CLASSES ARE 2-WEEK SESSIONS. Sessions 1&2, 3&4, 6&7.**

Tell Your Story

Students will learn various bookbinding techniques and create imaginative artist books where they can reflect their personal story, create a character, or make art. Students will also explore the book through mixed media processes.

Polynesian Art

Students will learn the basics of several types of traditional lei making with a variety of plant materials, 'ohe kapala (dye making & stamping) and a simplified process of tapa (bark cloth) design. The course will also include contemporary reinterpretations of traditional art forms as well as artwork "in the style" of several contemporary Pacific Islander artists.

Creative Art Space

Students will be introduced to a range of art materials as they discover ways to make art from observation as well as from their own creative imaginations.

Character Design

Students will create a character or re-create a character from their favorite story. They will think about this character's personality, outfit, look, age, and more to construct a character that is special. Students will have the opportunity to use mixed media to make their character come to life.

Passport to Art

Each day, experience the art from around the world! In this class, we will create art inspired by the traditions and cultures of a variety of countries from Mexico to India. Students will create works inspired by Oaxacan woodcarvings, aboriginal dot paintings, Japanese fish prints, and more!

Beginning Engineers

Students will learn the design process and the power of simple machines in this fun hands on class. Activities include building a rollercoaster from recycled materials, rubber band powered helicopters or catapults, building a Kickstarter, and simple batteries.

And More!

Faculty

Bill Bocheff, BA (Anthropology), University of California at Berkeley. Over 30 years of experience teaching children and adults. A Master carpenter and Master teacher for several Bay Area schools.

Kamryn Clark, BA (International Relations), University of Southern California. Kamryn has been a faculty member at JCAS since 2007 in the Outreach and Pre-School programs. She is of Hawaiian and Samoan descent.

Jenai Driscoll, BFA, (Illustration) Academy of Art College. Jenai has been at JCAS since 2006 as an instructor. She has over 13 years experience teaching kids in the Bay Area.

Olivia Fu, BFA, (Painting), UC Santa Cruz. Olivia has previously taught in New York. She uses storytelling when teaching and believes that stories incite meaningful experiences. Olivia has just completed her first children's book.

Cybele Gerachis. Cybele has been a teaching artist in the Bay Area for over 15 years. Her goals are to help students express themselves creatively, expose them to new techniques, and encourage them to experiment with a variety of materials. She is a mixed media painter who shows her work locally and nationally. She is currently completing her MA in Art Education at Boston University.

Ryan Louie, MSW (Social Work) New York University, BFA (Drawing and Painting) UCLA. Ryan has worked in New York City and Bay Area public schools developing curriculum and teaching enrichment classes to youth. She enjoys combining her passion for art with teaching students to think creatively and have fun.

Daniel McClain, BFA, (Painting) CCA. Daniel is a working artist and graphic designer with a studio in Berkeley. He is a faculty member at the Junior Center teaching young artists through the Outreach program, and has taught life drawing, painting, and graphic design at CCA's Young Artists Studio program for the past 14 years.

Name: Phone: () Relationship to Child:

I authorize my child, (who is 13 years or older) to sign his/herself in and out of class. I understand that this child may not sign-in or sign-out any other younger siblings who may also be attending summer camp. I understand that the Junior Center is not responsible for my child before or after class time (AM Classes 9:00am - 12noon /PM Classes 1:00 - 4:00pm). Initials:

PARKING FEE:

Once your child is registered for JCAS Summer Camp your child's first name and last initial will be added to a list by session at the entry kiosk to Lakeside Park. Give your child's name to the person staffing the kiosk and you will not be charged for dropping off and picking up your child.

In order for my child's registration to be complete, I understand that I must enclose full tuition (with the exception of scholarship or payment plan applicants) with a completed, signed, dated, 2 page registration form and mail, fax, or deliver it to the Junior Center. I understand that courses are filled on a first-come basis and that if a course is filled or canceled I will be issued a full refund. I also understand that if I withdraw my child's registration between April 1-30, 2016 I will receive a 75% refund, between May 1 -31, 2016 I will receive a 50% refund, between June 1-14, 2016 I will receive a 25% refund, and after June 14, 2016 I will receive no refund. I understand that all requests for program changes or withdrawals must be made in writing and sent or delivered to the Junior Center or emailed to gt-jrcenter@sbcglobal.net. A \$25 administrative fee may be charged for changes to or withdrawal from the summer program depending upon the change. I understand that JCAS reserves the right to discontinue my child's enrollment without refund due to improper behavior. I give JCAS authorization to reproduce my child's image and artwork created by my child during the program for the purposes of program publicity and fundraising.

The Junior Center welcomes the participation of students of any race, color, and national or ethnic origin.
